The Registered Home Manager at Keneydon House is Nina Wilkinson. Nina believes in person Centred care and all staff seek to ensure individual rights and expectations are not compromised in any way. Nina has over 20 years' experience in care and understands how every role within the home contributes to the overall standard delivered by our dedicated team, Nina's door is always open, and you can visit her at any time.

During these uncertain times Our Team at Keneydon House have worked effortlessly balancing person centred care ensuring our resident's home stays a safe place to live. We have received wonderful support from our relatives and community as a whole which has been greatly appreciated.

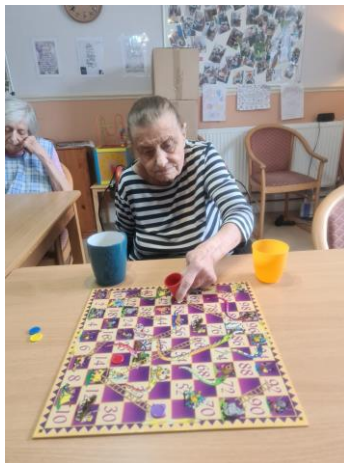

Our home is rated requires improvement by CQC, and our caring team are proud to deliver personalised care in a warm and supportive friendly environment

Our beautiful gardens are the perfect place to relax in the sun shine

We have a timetable of events, optional activities and mental stimulation carefully delivered by our Activities coordinator. This helps residents explore their interests and discover new ones, there is board games, music, wheel chair exercises, creative art, Nail painting, talk sessions, memory lane activities, and local entertainers.

We always treat our residents as a whole person, taking into account mental and social factors, rather than just the symptoms of a disability or disease. The care provided is built around residents' strengths and constantly seeks to improve their quality of life.

Care-planning is at the heart of our personalised delivery. We always encourage families and loved ones to assist in identifying needs, preferences and social background. This enables us to engage with our residents in a more personal manor

Round the clock care is provided by our dedicated team of carers who are incredibly passionate about our residents and their welfare

The minute you join us at Keneydon House we will make sure your loved one feels at home, Shared lounges and dining rooms provide an opportunity to spend time with other residents .

We encourage our residents to furnish their own rooms as they wish, with their favourite pictures and photos, or bring in your favourite armchair or anything that will make you feel at home.

We have a call system which can be operated by a hand controller,

Meal times are an important part of the day and gives our residents the opportunity to get together and enjoy freshly prepared meals in our lovely dining room

We offer two meal options and our cook will be happy to prepare anything if nothing on the menu takes your fancy
